KING COUNTY DEPARTMENT OF EXECUTIVE SERVICES
INQUEST PROGRAM

IN RE INQUEST INTO THE DEATH OF
ALBERT WAYNE FREDERICKS JR.

No. 17IQ427069

CITY OF SEATTLE’S OBJECTIONS TO
REQUESTED TRAINING MATERIALS
OF INVOLVED OFFICERS

The City of Seattle (“City”) objects to the Inquest Program’s discovery requests to produce certain training records of the Seattle Police Department Officers involved in the in-custody death of Albert Wayne Fredericks Jr. As set forth below, the City’s position is that many of the requested trainings are irrelevant, beyond the scope of this Inquest, and should be excluded per ER 401 and ER 402.

On November 5, 2021, Inquest Program Attorney, Ms. Claire Thornton advised that the Inquest into the Death of Albert Wayne Fredericks, Jr., Inquest #17IQ427069, had been assigned to Inquest Administrator Carroll. In addition to providing the parties with IA Carroll’s roadmap for the Inquest, Ms. Thornton requested discovery into Seattle Police Department training materials. Citing to Executive Order PHL-7-1-5EO’s requirement “that the jury panel make findings regarding whether the law enforcement officer complied with applicable law enforcement agency training and policy as they relate to the death,” the Inquest Program requested the City provide documents related to the

1 Involved Officer's training. The requested trainings were highlighted in a spreadsheet, which is
2 attached as **Exhibit A** to these objections. Upon reviewing the requested training, the City objects to
3 the production of the following requested training materials:

- 4 1. **Less Lethal, 2014**; Officers Rogers, Jerome, and Oliverson
- 5 2. **2014 Street Skills Firearms, 2014**; Officer Jerome
- 6 3. **2014 Less Lethal Training, 2014**; Officer Oliverson
- 7 4. **2014 Less Lethal Recertification, 2014**; Officer Jerome
- 8 5. **Less Lethal Certification, 2015**; Officers Jerome, Oliverson
- 9 6. **SPD - 2015 Post BLEA Tactical De-Escalation/Firearms Individual Skills, 2015**;
10 Officer Swartz
- 11 7. **SPD - 2015 Tactical De-Escalation/Firearms Individual Skills, 2015**; Officer
12 Rogers, Jerome, and Oliverson
- 13 8. **SPD - 2016 Firearm Qualification and Less-lethal Recertification, 2016**; Officers
14 Swartz, Hay, Rogers, Jerome, and Oliverson
- 15 9. **Reviewing Use of Force – Update, 2014**; Officers Rogers, Jerome, and Oliverson
- 16 10. **Reviewing Use of Force, 2014**; Officers Rogers, Jerome, and Oliverson
- 17 11. **Force Investigation Team (FIT), 2014**; Officers Rogers, Jerome, Oliverson
- 18 12. **SPD – 2015 Post BLEA Force Investigation Team, 2015**; Officers Swartz, Rogers
- 19 13. **SPD – 2016 Post BLEA Force Investigation Team, 2016**; Officers Hay

20 The City objects that the above trainings are not relevant and beyond the scope of this Inquest,
21 including the inquiry into and review of the facts and circumstances of Mr. Frederick's death and any
22 decision or possible failure to offer appropriate care by the Involved Officers that may have
23 contributed to his death. ER 401, ER 402; PHL-7-1-5-EO at 2, §2.1

The City objects to the requests for training related to less lethal tools and firearms (Nos. 1-
8). The trainings related to less lethal tools or firearms are not relevant, because the Involved Officers
did not use firearms or less lethal tools in the incident involving Mr. Fredericks. These trainings do
not further the purpose of the Inquest, and instead, would cause undue delay, possible confusion, and
detract from the actual issues of the Inquest. ER 403. The City objects to their production.

Additionally, the City objects to the requests for training related to Reviewing the Use of
Force and the Force Investigation Team (Nos. 9-13). Trainings related to the Review of Force or

1 Force Investigation Team are not relevant. They are completely unrelated to the circumstances
2 surrounding Mr. Frederick's death and whether the Involved Officers' conduct either contributed to
3 his death or complied with the applicable SPD policies and training at the time of the incident. ER
4 401-ER 402. Similar to the trainings related to less lethal tools or firearms, these trainings will only
5 cause undue delay, possible confusion, and do nothing to further the purpose of the Inquest. The City
6 objects to their production.

7 DATED this 19th day of January 2022.
