13 tactical training protocols, which require redaction or a protective agreement in place prior to

23 Production Nos. 19-20. No other responsive materials exist.

REQUEST FOR PRODUCTION NO. 29 (II.D.1): 2016 CPR/AED per ASHI Standards
(Swartz, Hay, Rogers, Jerome, Oliverson)

1 **RESPONSE:** Objection. The City objects to the complete inclusion of the 2016 CPR/AED
2 per ASHI Standards training. Mr. Fredericks' heart and breathing stopped while he was being
3 attended to by AMR EMT's. SPD's trainings on CPR and AED are not relevant and will be
4 prejudicial. ER 401-430. Subject to and without waiving the objection, please *see bates numbered*
5 **documents CITY_Fredericks_A_00001649-CITY_Fredericks_A_00001841.**

6 **REQUEST FOR PRODUCTION NO. 30 (II.D.2):** 2014 First Aid (Jerome, Oliverson)

7 **RESPONSE:** Please see the City's objection to the preceding Request. Subject to and without
8 waiving the objection, please *see bates numbered documents CITY_Fredericks_A_00001842-*
9 **CITY_Fredericks_A_00001856.**

10 **REQUEST FOR PRODUCTION NO. 31 (II.D.3):** Training Regarding Approach/Contact
11 (as referenced in FIT report at Fredericks_A 0791) (Oliverson and Rogers)

12 **RESPONSE:** The City is investigating whether there are any trainings or training materials
13 responsive to this Request. To the extent responsive materials exist, the City will supplement this
14 Response.

15 **FIRST SUPPLEMENTAL RESPONSE:** Objection. The City objects on the grounds the
16 FIT Report at Fredericks_A_0791's references to training are prospective in nature and not reflective
17 of training that existed at the time of the incident. They also not do not relate to the cause and manner
18 of Mr. Fredericks' death in any way; rather, they deal with officer safety and/or internal
19 communication issues that are outside the scope of this inquest. Finally, they deal with generalized
20 law enforcement concepts that may run through many different aspects of law enforcement training.

21 Subject to and without waiving the objection, in regards to "Approach/Contact" training, the
22 City did not locate any training modules specifically devoted to "Approach/Contact." SPD's Edged
23 Weapon Response training includes verbal discussion and drills related to making contact with
subjects from the confines of the patrol car. The City objects that any Edged Weapon Response
training is irrelevant to the scope of this Inquest, and its inclusion would be prejudicial as its probative
value is outweighed by the risk of confusion or undue delay. ER 403.
