RE: *In re the: Inquest into the Death of Damarius Butts*  
No. 517IQ8013

Dear Mr. Leavitt & Ms. Baker:

This letter is a response to your August 9, 2019 email, requesting multiple discovery items. First, the training cards for Officers Hudson Kang and Officer Christopher Bandel:

FILE DESCRIPTOR	BATES RANGE
Hudson Kang Training card (as of 8/21/2019)	CITY 2665 – CITY 2668
Christopher Bandel Training card (as of 8/21/2019)	CITY 2669- CITY 2681

I note that Officer Kang and Officer Bandel’s training cards were previously produced and bates stamped by the King County Inquest Administrator as the following bates documents:

FILE DESCRIPTOR	BATES RANGE
Hudson Kang Training card (as of 8/1/2017)	Butts_I 1575 - Butts_I 1576
Christopher Bandel Training card (as of 8/1/2017)	Butts_I 1573 - Butts_I 1574

It was brought to our attention recently that Officer Bandel’s last day of employment with the Seattle Police Department was July 12, 2019.

As requested, the produced video shown at the 2018 Seattle Police Department Awards Banquet, has been enclosed and bates stamped as CITY 2638.

The original videos created for CITY 2638, have been enclosed as bates files CITY 2639 – CITY 2663. Each officer had two cameras filming simultaneously, so there are two different angles for each interviewee. One of the videos for Officer Matthew Clark came to us corrupted (bates stamped CITY 2641), but his interview can still be watched at CITY 2642.

We have also included the PowerPoint presentation that was presented at the Force Review Board meeting, bates stamped CITY 2664.

Please do not hesitate to contact our office should you have any questions about the discovery items discussed above.

Thank you.

Very Truly Yours,

PETER S. HOLMES  
Seattle City Attorney
