**INQUEST INTO THE DEATH OF
JESUS HERNANDEZ-MURILLO
INQUEST # 18IQ033145**

**PRE-HEARING CONFERENCE ORDER
June 30, 2023**

Family of Jesus Hernandez-Murillo:	Represented by Deborah Alexander (family not present)
Law enforcement officers:	King County Sheriff's Officer Leland Adams (not present) represented by Derrick Isackson
Employing government department:	King County Sheriff's Office (KCSO), represented by Amanda Froh
Administrator:	Marcine Anderson, assisted by Anu Zangri

A Pre-Hearing Conference was held today. After consultation with the parties, the following orders are entered:

1. Recorded Statements of Irvin Martinez-Leiva

The IO and KCSO both requested that portions of Irvin Martinez-Leiva's interviews with detectives be played for the jury, subject to redactions, given Irvin Martinez-Leiva's unavailability. The Family objected to the recordings being played, but alternatively requested that they be appropriately redacted if they are played for the jury.

KCSO proposed a stipulation to accompany the recordings of Irvin Martinez-Leiva. The parties, as agreed, shall develop a stipulation together.

The preference is for witnesses to testify live, so that jurors have an opportunity to ask them questions. Because Irvin Martinez-Leiva is unavailable, relevant portions of his interviews will be played for the jury.

Ms. Alexander's request to exclude any prior recorded statements of Irvin Martinez-Leiva is denied. Nevertheless, the parties shall work together to determine which portions will be admitted to the jury. Prior testimony from Mr. Martinez-Leiva regarding events just before, during and just after the arrest of Mr. Hernandez-Murillo is allowed. Any disagreements may be presented upon request of the parties.

2. Jury Pool

The Inquest Program is following King County Superior Court policies regarding the geographic location of potential jurors. As this incident took place in Kent, Washington, the jury venire will be from south of I-90.

3. Jury Questionnaire

All parties agreed to remove questions #88 and #89 in the most recent version of the juror questionnaire regarding substance abuse, as it is beyond the scope of this Inquest.

DATED this 30th day of June, 2023.

Administrator
