After consulting with the parties in this case and the parties to the other 15 pending cases, the Inquest Hearing in this matter shall commence on January 16, 2024. The parties shall keep their schedule free through January 26, 2024, so that there is sufficient time for testimony and jury deliberation.

The Inquest Program is setting the date in this case and in the other 15 pending cases at this time so that the cases are heard within 18 months. RCW 36.24.020.

Initial discovery in this matter has previously been provided. A proposed case schedule will be provided no later than July 19, 2023.

The parties shall, within 30 calendar days after receiving the proposed case schedule, review the discovery and provide input on the case schedule. At or before the 30-day deadline as provided in the case schedule, if any party objects to the Inquest Hearing date set by this order, that party shall request a Pre-Hearing Conference be set to consider a Motion to Amend the Inquest Hearing date.

Dated: 06/30/2023
